A Possible Format for the 2017 GRFP Research Plan Statement

(Limit is 2 pages. Work closely with your mentor on this statement!)

Introduction. am fugit voluptat fugias consequamet inctas moles mos rem coreiur molorec usciis illaborporum reperum et quiate sit atiandit pedis evendae evendae nest. usciis illabo pedis evendae nest.

Begin with 2-3 powerful sentences that explain the overall aim of the research.

Literature Review. Obis exeris et, offictio moditas amet endi blacera inveliquae pra simoluptae[1]. Natinum sunt volor sim et moloreh enditec tistem que molum. et la iduciatius [2, 3], se prerehentis seque a di ist nos remporempor aut qu Quisciumqueet pererem ratibus adis conserum la fugias consequamet inctas moles mos rem coreiur molorec usciis illaborporum reperum et quiate sit atiandit pedis evendae nest.

This is a *summary* of key articles or previous studies that point to the need for your proposed research.

Research Question or Hypotheses. Plicti ut dolupta si omnis dus endem et, offictem: arcit molor facias re res rectur? veriorest, odis utetur, ven

Not required, but it will help your statement sound scholarly.

Methods (or General Approach). uam fugit voluptat fugias consequamet inctas moles mos rem coreiur molorec usciis illaborporum reperum et prerehentis seque a di is nonest. Voluptate omnis harchil esciendi tet pa autem.llore poresti co tectorporrum dolum sent Reperum erem volesequis Reperum tectorporrum d laborro.

Reperum erem vole laborro. Reperum Quisciu odis utetur, venis ratibus am fugit voluptat fugias consequamet inctas moles mos rem coreiur molorec usciis illaborporum reperum et quiate sit atiandit pedis evendae

Devote plenty of space to methods! State type of study (e.g., qualitative, quantitative, mixed methods.) Describe protocol, data sources, data collection, controls, sampling, models, human subjects, recruitment, etc. as appropriate to this study. Make certain that your methods will gather the data you need to in order to address your research questions or hypotheses!

tectorporrum dolum sent. prerehentis seque a di ist laborro. Reperum erem volesequis noprerehentis seque a di ist laborro. Reperum Obis exeris et, offictio moditas amet endi blacera inveliquae pra simoluptae. Natinum sunt volor sim et moloreh enditec tiste prerehentis seque a di ist laborro. Repe remporempor aut que latet pro magn laborro. tectorporrum dolum sent. prerehentis seque a di ist laborro. Reperum erem volesequis noprerehentis seque a di ist laborro. Reperum noprerehentis seque a di ist laborro. Reperumv tectorporrum dolum sent. prerehentis seque a di ist laborro. Reperum erem volesequis

Suggestion: The top of page 2 will continue your methods section. Avoid pitfalls and strive for rigor. Consult your mentor!

Resources Needed. icti ut dolupta si om quo bear um reperem derferciis molor pererem latume veriorest, odis utetur,

Explain how your **big** expenses (e.g., field work, international travel, chemicals, stipends, equipment) will be covered.

Intellectual Merit. moles mos rem coreiur molorec usciis illaborporum reperum et quiate sit atiandit pedis evendae nest. rrovid ma aut harchil esciendi tet pa qui qu recaboruptas conest. tectorporrum dolum sent. pre Reperum erem volesequis noprerehent noprerehentis seque a di ist laborro. Re prerehentis seque a di ist laborro. Repe

IM: Describe (a) how this research topic will advance knowledge within *and* across disciplines AND (b) how you intend to share findings with SCHOLARLY audiences.

Broader Impacts. omnisque nulparchil intia qui rrovid ma aut harchil esciendi tet pa qui que recaboruptas earibus aut autem. Ullore poresti conest, natiis iditionse volupta tectorpo aut autem. Ullore poresti conest, tectorp seque a di ist laborro. Reperum erem vo di ist laborro. Reperum tectorporrum dol ist laborro. Reperum erem volesequis no laborro. Reperumv tectorporrum dolum sent. prerehentis seque a di ist laborro. Reperum erem volesequis noprerehentis seque a di ist laborro. Reperum noprerehentis seque a di ist laborro.

BI: Describe (a) how the research will benefit society AND (b) how you intend to engage underrepresented groups in some type of broader impact (outreach) activity.

Literature Citations

1. Author names, date, title of article, nam date, title of article, name of journal 3 A name of journal 4. Author names, date, title of article, name of journal

Add complete citations in a format that is appropriate to your discipline. Can be a block of 10 pt type as shown.
